

# Senior Woman's Football 2019

## Maribyrnong Park Football Club

With the success of our current female youth teams, competing in all age groups across U9, U11, U13, U15, and U18, the club is now looking to expand our female football program to include a Senior Women's team.

The club is seeking expressions of interest from prospective players for the 2019 Essendon District Football League season. Please contact our Female Football Coordinator for more information and to register your interest.
