

Marby Lions Supporting Toward Zero

WHAT IS TOWARDS ZERO?

Towards Zero is Victoria's plan to ensure no one is seriously injured on our roads. It acknowledges that we all face risks on our roads, but that our choice to use the road shouldn't cost us our lives. That's why we need to ensure we have a safe transport system in place. Together we can build a system that protects us from our own mistakes and those of others.

WHO'S BEHIND TOWARDS ZERO?

Towards Zero is a partnership between the Transport Accident Commission, VicRoads, Victoria Police, the Department of Justice and Regulation and the Department of Health and Human Services. Working together with the community, it is our belief that zero deaths and serious injuries on our roads is possible.

Around The Club

You may notice we are promoting Toward Zero messages around the club, posters, on our player sponsor TV, on our scoreboard, and on Saturday 3 August our senior Captains will be wearing special Towards Zero jumpers with the number '0' instead of their usual number to show our support for the Toward Zero program.

What Can You Do?

Promote safe driving, alcohol and driving don't mix, and for learners ensure you have 120 hours of driving in all conditions on your L Plates, and for parents go to <http://www.saferpplaters.com.au/> and complete the safer P Platers online learning module.

Towards Zero, There's No One Someone Won't Miss
